SITUATION VACANT

JOB VACANCY ANNOUNCEMENT

Electrical & Instrumentation
SUPERINTENDENT

REQUIREMENTS:

- Minimum 15 years of experience and at least 7 years in EPIC (Engineering, Procurement, Installation & Commissioning) projects in Oil & Gas.
- QatarEnergy experience preferred, especially in the Dukhan field.
- Proven experience in the construction, installation, inspection, completion walkthroughs, and punch list process for all electrical and instrumentation systems.
- Strong knowledge of Electrical, Instrumentation, PLC/SCADA, cable installation, earthing, field instruments, panels, and commissioning activities.
- Experience in brownfield and greenfield Oil & Gas projects in Qatar is preferred.
- Good communication, leadership, and team management skills.
- Good knowledge of pre-commissioning, testing, and commissioning activities for electrical and instrumentation systems.
- Transferable visa.

KEY RESPONSIBILITIES:

- Supervise and coordinate all E&I construction activities at the site.
- Ensure compliance with approved drawings, specifications, project procedures, and HSE requirements.
- Manage supervisors and construction crews across multiple locations simultaneously to achieve project objectives.
- Coordinate with Client representatives, subcontractors, and vendor representatives to ensure timely and efficient construction execution.
- Coordinate system completion, conduct construction completion walkdowns, and ensure timely handover for pre-commissioning in accordance with project schedules.
- Coordinate with Engineering, Procurement, QA/QC, HSE, and Commissioning teams to ensure smooth project execution.
- Monitor construction progress and take corrective actions to meet project schedules and milestones.
- Resolve site technical, constructability, and material availability issues.
- Ensure compliance with client requirements.
- Participate in inspections, testing, punch list closure, and system handover.
- Prepare daily, weekly, and monthly progress reports and manpower plans.
- Support commissioning and start-up activities and ensure timely completion of E&I works.

QUALIFICATIONS:

- Degree or Diploma in Electrical Engineering, Instrumentation Engineering, or equivalent.

Interested local available candidates are requested to send their updated CVs to:
Email: MaryTess.Patulot@kentplc.com / Arsha.Nambiath@kentplc.com
