Queiroz says focused Qatar reaped dividends vs India

Result confirms the hard work we have done and this is not easy. Focusing for 90 minutes is positive

By Sports Reporter, Doha

Qatar made it two wins out of two in the FIFA World Cupqualifiers with a 2-0 victory over India at the Kalinga Stadium in Bhubaneswar, India, on Tuesday.

Carlos Queiroz, the man in charge, said: “Despite exerting immense pressure, we conceded an early goal, so we needed to exert even more effort, as not a single moment was granted to the Indian team to score the three goals.”

The Indian coach did not offer away from underlining that there was a lot more needed to strengthen football’s infrastructure in the country. “We still need to work a lot, inside our house, and in the future.”

Next up, India will take on Afghanistan away from home in March, while Qatar host Kuwait.
